Buy in the Beautiful Gray Tract

One of the best subdivisions in San Mateo County. No adobe; the finest of soil—loam and gravel; beautiful oak trees, and situated on the Woodside road. This road is soon to be made into a beautiful boulevard. NOW is the time to buy. Only a few blocks from the new electric line. Don't let all outsiders come here and buy up the best. These lots are all 50x109 feet; no 25-foot frontage here. I want you to call at the office and I will show you what these lots are, and I would like to see our own people get in on the ground floor—not all strangers. About forty of these lots have been placed on the market for \$250 each; 10 per cent cash, remaining payments to suit purchaser. Call and talk the matter over with

PAIN

Pain in the head—pain anywhere, has its cause. Pain is congestion, pain is blood pressure—nothing else usually. At least, so says Dr. Shoop, and to prove it he has created a little pink tablet. This tablet—called Dr. Shoop's Headache Tablets—coaxes blood pressure away from pain centers. Its effect is charming, passing of the pain, gently, though safely, it surely equalizes the blood circulation.

If you have a headache, it's blood pressure. If it's painful periods with women, same cause. If you are sleepless, restless, nervous, it's blood congestion—blood pressure. That surely is a certainty, for Dr. Shoop's Headache Tablets stop it in 30 minutes, and the tablets simply distribute the unnatural blood pressure.

Brise your finger, and doesn't it get red, and swell, and pain you? Of course it does. It's congestion, blood pressure. You'll find it where pain is—always. It's simply common sense.

We sell at 25 cents, but cheerfully recommend

Build up your town by trading at home.

With the completion of the Dumbarton road Redwood City will be a terminal point. Then see the town boom.

Many people living in Alameda county are buying property in San Mateo county with a view of building homes. That certainly speaks well for the county. No section of the state has a brighter future than the peninsula.

City politics will soon begin to boom and many candidates will make their announcements. A few dark horses are being groomed by the Good Government league for places.

Redwood City may well boast of her good streets. During the recent storm pedestrians did not wear rubbers. They could keep a good polish on their shoes.

Let us all pull together for Greater Redwood. It will not be many years before we will be annexing Dumbarton and North Fair Oaks. Palo Alto won't be in it.

A joint body of three leading labor unions of Great Britain has issued a report on unemployment in which it recommends that trade unions be urged to abolish overtime, and where this is not wholly possible, it be restricted to the narrowest limits, and when worked it be penalized to the fullest extent.

Mark Twain remarks that receiver-ships cost more than harems, which may explain why the sultan has always persuaded his creditors not to proceed to extremities.

After a cross-examination by a New York criminal lawyer a witness must feel like an admiral who has ventured to express an opinion on the subject or hospital ships.

Rear Admiral McCalla says the United States should have "at least the skeleton of an army." The new medical uplift in the navy is beginning to show in its diastol.

The Chinese tongs have declared a treaty of peace which they will probably keep as long as they find it convenient.

Murdered and Robbed

Louis A. Demardo, who was decoyed to San Mateo by two unknown men on the pretext of selling him land and wounded and robbed him, died at the Emergency hospital, San Mateo, Thursday from the effect of his injuries. A post mortem examination was held yesterday.

When they had decoyed him to an isolated spot he was set upon and stabbed twice. He fell to the ground and was shot three times. Then his pockets were rifled of \$150 in coin and a gold watch and chain. The thieves also stole his two diamond rings.

Marriage Licenses Issued

The following marriage licenses were issued from the County Clerk's office during the week:

Charles Vissiere of Portland and Mrs. Josie Tarpy of Watsonville.
Howard Cokely and Lulu Fell, both of Watsonville.
Maurice Blum and Vera Tobin, both of Mill Valley, Marin County.
Adelbert A. Gutierrez and Winifred Burnell, both of Sacramento.

The Southern Pacific is soon to inaugurate a kite-shaped service of four or five local trains each way daily over the Bay Shore cut-off and the Valencia street routes. This will mean passenger trains starting from Third and Townsend streets in both directions and passing each other on the loop by way of Visitation valley, South San Francisco, the cemeteries, Ocean View and Valencia street.

In connection with this new way service, two and perhaps three new stations will be established for these loop trains. One station will be between tunnels 1 and 2, at the foot of Army street; another at Visitation Valley, the scene of the railway shops and much industrial activity, and another at some other desirable place.

Passengers taking these loop trains will not be able to continue down the peninsula except by getting off at South San Francisco or San Bruno and waiting for the arrival of one of the peninsular trains, none of which will stop at stations on the Bay Shore cut-off. Cemetery trains going out by way of Valencia street will return over the Bay Shore cut-off.

JOHN C. EDGAR PASSES AWAY

Sheriff of This County Six Years

AILING BUT A SHORT TIME

For a Long Period Was Connected With State's Prison at San Quentin

Captain John C. Edgar a pioneer of this city passed over the great divide in San Francisco early Tuesday morning after an illness of over a month with diabetes. Mr. Edgar had been ailing for about a year but did not take to his bed until Christmas day.

Johnny Edgar was born in Belfast, Ireland 74 years ago. He came to America at an early age and with his parents settled in Canada. In 1852 he started from New York, whence he had gone to seek his fortune, and came via the Panama route to California. He first went to Sacramento but came to Redwood City 1858 and made his residence here. He entered into business here and married Miss Mary J. McLeod the daughter of a pioneer ship builder of this city. In 1871 he was elected sheriff of San Mateo county being the first Republican to ever attain that office. He served honorably in this capacity for four terms and in 1879 was appointed Captain of the guard at San Quentin Prison by Warden J. C. Ames also of this county. He was an intrepid officer and fearless in the discharge of his duty. Upon the expiration of his appointment he returned to Redwood City and served as deputy sheriff under W. H. Kinnle. In 1884 he became deputy warden under Warden Hale and served continuously until four years ago when he retired from office. In April 1906 he was appointed Warden of the prison and served until July 1907 when he resigned and retired to the home which he bought in San Francisco at 171 Fifth Avenue, Richmond District. Mr. Edgar died in the fullness of age in peace and plenty, surrounded by loving relatives and friends. He was ever a frugal man and during his years of employment invested his earnings wisely and well so that he leaves a comfortable estate to his wife and one son, Joseph.

The funeral took place Thursday morning at 11 o'clock from St. John's Presbyterian church, San Francisco and the interment was in Cypress Lawn Cemetery. A number of Mr. Edgar's old friends and business associates from here attended the funeral.

This paper has told of the work of construction as it progressed on the Merrill hotel building and of its completion. We have told of its great size and splendid furnishings. Mr. and Mrs. Merrill have had much experience in conducting large enterprises and that experience will now be valuable to them. Work on Ocean Shore

Grading work on the Ocean Shore between the tunnel and Green Canyon is going ahead at a rapid rate. Nearly 300 laborers are at work and the force is to be increased to 500 at once. The roadbed is fast being put in condition to receive the rails and the statement made by the company that they will be running cars into Green Canyon by March 1st, 1908, gives promise of being fulfilled. This force of men are working every day, rain or shine, Sundays included, and the work is being rushed as fast as possible, which give good indications that we will have a railroad in Half Moon Bay before we celebrate another Fourth of July—Half Moon Bay Review.

Dance at Woodside

There will be a grand ball at Woodside Saturday evening, February 8th, to be given by the young men of that town. Good music has been engaged and an enjoyable evening is promised those who attend.

Applied for Letters

John J. Ortle, Jr., has applied in the superior court for letters of administration upon the estate of Mrs. Augusta A. Titus, deceased. The estate consists of lots 59, 60 and 61 Town of Redwood City valued at \$5,050, lots in the Town of Escondido, San Diego county, worth \$500, certain lands and residence in Monterey county the value of which is unknown. The entire value of the estate does not exceed the sum of \$5,000. The only heir at law is B. A. Chew, a son of the deceased.

The filing of the petition is no doubt the beginning of long litigation in the estate of Geo. L. Davis in Monterey county. Mrs. Titus had no property here but claimed she was defrauded out of it by her brother, George L. Davis, who died recently. She also claimed an interest in the estate of her mother in Monterey. Mr. Davis stoutly maintained that his mother left no estate. He had a deed to the property in this City signed by Mrs. Titus.

Frank L. Blomquist has applied in the superior court for letters of administration upon the estate of Chas. Blomquist deceased. The estate consists of personal property valued at \$25 and two acres of land near Pescadero worth \$300. The estate does not exceed the sum of \$325 in value.

MENLO PARK HAPPENINGS

Cemetery Association Holds Meeting

MEAT MARKET TO CLOSE

Presbyterians Will Hold Session Here—Sanitary Trustees to Meet

MENLO PARK, January 29.—The meeting of the cemetery association was well attended Sunday last by members from the various districts. Mr. William Downey was appointed sexton. It was ordered that the church regulations requiring that tombstones or structures be placed over graves, bear a christian inscription or Catholic emblem, shall be strictly enforced. This action is caused by the inclination to ignore the regulation. Among other decisions are the following: No burial plot will be reserved for persons desiring to purchase same, unless payment is made within a reasonable time; No improvements will be made on plots until such plot is fully paid for, and not at any time, without the sanction and approval of the cemetery association. The collection of the annual subscription to the cemetery fund has not been pressed since the earthquake of 1906, but now that the inconveniences caused by that catastrophe have been greatly overcome, the secretary, Jas. T. O'Keefe was directed to distribute collection cards to members.

J. R. Daly was initiated into the order of Knights of Columbus at San Jose Wednesday evening. Many from here are members of the San Jose Council.

Action to Recover Real Estate

Ellen M. McSweeney has commenced an action in the superior court against Michael D. Cogley and Honora A. Cogley to recover certain real estate in this county standing in defendants' name. Mrs. Cogley is a niece of the plaintiff. The complaint alleges that Mrs. McSweeney was an inmate of an old ladies' home in San Francisco for 15 years, that in 1903 she was induced to leave the home and live with Mr. and Mrs. Cogley believing that she would receive better care and treatment. She had \$2500 in the Hibernia Bank and in 1904 she gave defendants \$1500 to buy property in San Mateo from which she was led to believe she would receive big profits. Mrs. McSweeney afterwards gave defendants the remaining \$1000 to buy a lot at Belmont. The property in both instances was bought in the name of Mr. and Mrs. Cogley. Plaintiff seeks to have the property placed in her name and all rents collected accounted for. Mrs. McSweeney is 82 years old.

Campaigne vs. Larrecou

The case of J. B. Campaigne against Mrs. Marie Larrecou for damages was tried and submitted yesterday in the superior court. Plaintiff claims damages for being denied the use of the bath room. The evidence went to show that Campaigne and his wife shut off the hot water so that a genuine bath could not be had and in retaliation Mrs. Larrecou locked the door. Bad blood has existed between the parties for some time. The latter had Campaigne arrested last year for using vulgar language and he was convicted. Campaigne has bought a lot in the Johnson tract and is now erecting a \$7000 building. Mrs. Larrecou recently lost her mother and her father is now on his death bed. Her oldest son is in the hospital and as a broad winner for the of the family her hands are full and her cross is heavy.
